PRESIDENT'S MESSAGE by Colin McCormick

Greetings to the British Motoring Club New Orleans; welcome to sauna season.

I trust you all had a safe and happy Fourth of July celebration weekend.

BMCNO members were very busy in June. On the second Saturday we brought 15 cars to Bay St. Louis in a trouble-free drive that featured a cruise along the beach from near the Silver Slipper to downtown BSL. It's always fun to see the reaction we get from folks enjoying the beach when our caravan of colorful British classics goes by. Several of us returned via Kiln where we stopped for a pleasant repast near the Stennis airport.

On the third Saturday we exhibited about 25 cars at the New Orleans Lakefront Airport for the Big Easy Wing of the Commemorative Air Force Fathers Day event. They arranged for all of us to park in their hangar, where we generated a good deal of interest from the attendees. A few of our members flew over the city in their vintage Stearman biplane. Thanks to Roger Jeffrey for arranging what turned out to be a fun and interesting outing.

Friday June 28th was the monthly Columbia Street Block Party in Covington. Six of us exhibited our cars to a somewhat lighter than average crowd until one of those widely scattered showers found us.

In other less visible events, the special committee has nearly completed revising the club bylaws to modernize them consistent with the way we conduct our club business. Thank you to those members who volunteered their time for this important work.

Also, the Board of Directors is well underway planning our birthday celebration in August, and even some long-term planning for our Christmas celebration in conjunction with the Christmas parade in Harahan.

More details on these and other events are in this newsletter, and will be given at your regional meetings and through your coordinators.

Finally, thank you to all who promptly renewed your dues in June. If you were not one of those, be sure to get your payment in soon so you do not miss out on exciting events coming up, including the fall car show season.

Happy British Motoring to all,

Colin McCormick

Distinguished Gentleman's Drive

Drive

by Chris Savoy

When Michele and I joined British Motoring Club New Orleans two years ago, we immediately began looking for fun activities in which we could showcase our '77 MGB.

Within a few days of owning our car, I came across an invitation to participate in the 2022 Distinguished Gentleman's Drive.

Distinguished Gentleman's Drive is a world-wide men's health fundraiser featuring classic cars and dapper fashion. DGR and its fundraising partner, Movember Foundation, have raised over \$7.3 million for prostate cancer, men's mental health, and men's suicide prevention. We have now participated in two DGD events and plan to continue doing so as long as we are able.

On September 29th, 2024, thousands of drivers in over 150 countries and 1,000 cities will dress their best before taking to the streets in a spectacular display of classic motoring and fashion. Michele and I, along with BMCNO member and New Orleans drive host Jorge' Menes would like to invite all club members to participate in this year's event! Registration for Distinguished Gentleman's Drive 2024 will kick off about the time you read this. Simply follow the link below, hit the registration tab, then locate and select the New Orleans drive.

From there, you will be able to start your own fundraising team similar to a typical Relay for Life fundraiser. We are asking each participant to raise \$150 for the cause through the DGD website. Our goal for the 2024 New Orleans Drive is \$20,000.

Each city that hosts a drive adds its own unique local flavor, and New Orleans is no exception. In fact, New Orleans boasts an entire DGD weekend! A typical New Orleans DGD weekend looks like this:

Friday 5 -10 p.m. - Driver's meet and greet hosted by St. Garage on St. Ferdinand St. Free food, drinks, and fellowship with other participants and classic car owners.

Saturday 10 a.m. till - A Saturday activity (TBA). We are planning a drive up River Road to a local distillery.

Sunday 9 a.m. – Drivers gather at the tricentennial parking lot at Café' Du Monde, City Park. Enjoy coffee and beignets before the drive.

Sunday 10:30 a.m. – Awards are handed out for Best Dressed and Most Funds Raised.

Sunday 11 – Disembark under Police escort for a parade-style ride through the historic streets of New Orleans!

Sunday Noon – Drive will end at a lunch destination (TBA).

Distinguished Gentleman's Drive has been one of the most positive experiences Michele and I have ever been involved with. Through DGD, we have made lifelong friendships, raised money for a great cause, and gotten to know fellow club members like Bob & Linda Gordon, Allen & Susan Bradley, Chris Landry, Robert Rougelot and Keith & Karen Vezina (just to name a few). We look forward to seeing you this year at Distinguished Gentleman's Drive 2024!

June Monthly Meetings

Meanwhile in Baton Rouge...Our June meeting was very well attended, with 17 active members and more than half a dozen little British cars in the parking lot of Cafe American. We all had a nice supper and visited while we ate. Then group leader Rick Huber announced upcoming events, and we discussed the August BMCNO Anniversary party, which the BR group will be hosting this year.

We talked about several options, quickly ruling out physical activities like bowling and Top Golf. Suggestions were the Rural Life Museum, LA. State Museum, Bogon Street Fire Station Museum, West Baton Rouge Historical Museum and Nottoway Plantation. The West Baton Rouge Museum got the nod for August 17th.

Rick told everyone about the By-laws Committee that Colin has formed to "streamline" our By-laws to reflect our three groups. He will keep us informed of the progress. Danny Varnado had some exciting dash cam video teasers from the annual multi-day Arkansas driving trip that some guys in the Mississippi club put on and invited us to join in. He explained his set-up with front and rear cameras, and you can get a whole system starting at just over \$100. The footage was amazing, and we are looking forward to Larry Kelly's finished "Arkansas Trip Video."

—Roving Reporter

In Mandeville on June 19th Benny Stiegler was back to run the meeting and did a presentation on the original name of our club, Louisiana Centre MG Car Club. It was called Louisiana Centre because The MG Car Club in the U.K., founded in 1930, is divided into 12 regions called centres. They have a great website (<https://www.mgcc.co.uk/>) that links to all 12 Centres. Club President Colin McCormick updated us on the latest club business. After looking at upcoming and past events it was posed that not all British cars are classics, and we talked about what is considered a classic car. Some examples that wouldn't make the list were shown, and we looked at the rare and little known Ford Corsair.

Not a classic

1967 Ford Corsair

In Harahan on June 25th, Andrew Doran conducted the meeting this time. We talked about some club history as well as old logos and pictures. More importantly, we went over things you should keep in the boot of your car as essential items in case of a breakdown. Then Roger did a presentation on our most recent Cars and Coffee, and reviewed for everyone our trip to the Big Easy Wing of the Commemorative Air Force. We saw amazing pictures and video of the flights over the city. We then covered upcoming events and current projects, and encouraged everyone to visit our website and join our club's Facebook group. <https://www.bmcno.org/> <https://www.facebook.com/groups/155483109234541/>

JUNE 15TH C&C

Wow, what a great way to spend Father's Day Saturday! We had a nice crowd at breakfast in Baton Rouge: Rick & Mary Lynne, Debra & Harry, Larry & Cathy, Danny, me, Jerry and Mark with five LBCs in the parking lot. (As always, I hope I didn't miss anyone.)

Afterward, I in my MGB, Danny (TR6), Rick (AH 3000) and Milton (TR4a) drove over to Goodwood Hardware for their annual show. For a canned food donation, they had drinks, biscuits and meat and cheese, also cookies and cake and...SPREAD! All for free. I saw a number of car people I know, and everyone got a trophy as soon as we registered!

Lots of street rods, muscle cars, and Corvettes everywhere!

—Roving Reporter

Our Southshore group met for Cars and Coffee at Chateau Café on Allen Toussaint Boulevard for a good breakfast before heading over to Lakefront Airport to attend the Big Easy Wing event. Dan McGovern and Robbie Robertson joined us from Slidell. It was a good turnout with some really nice British motors in the parking lot.

BLAST FROM THE PAST From our July 2007 Morris Gazette Newsletter

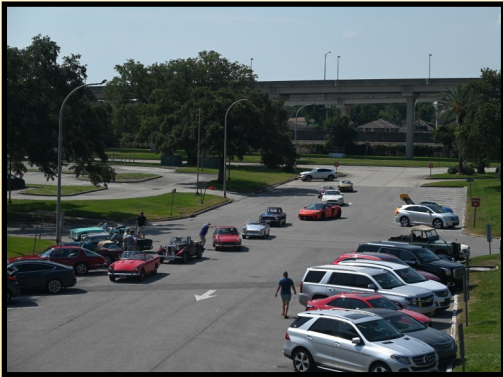

Member Projects: Ronnie Palmisano had a visit from “Lucas, Prince of Darkness” when his car cut out on the highway. The rotor had broken and part had fallen down into the centrifugal advance. It was not fun getting the part out.

Tourist Trophy Garage on Tchoupitoulas has closed. The only shop working on British cars are now Peter Braun’s in Kiln, MS and Gambino Foreign Cars behind the Palace Theatre in Clearview. Kevin is very short-staffed.

BMCNO Visits Big Easy Wing

Saturday, June 15th the Commemorative Air Force Big Easy Wing invited our club to their hangar for a Father's Day weekend event. We displayed our British cars as they flew Dad's around the city in their Stearman Biplane. Over 30 people joined in, first meeting up in the parking lot with a nice variety of 25 cars and getting directions from Big Easy member and BMCNO Southshore Coordinator Roger Jeffrey. He explained to everyone how to proceed to the hangar at the end of the runway, get a photo with the Stearman, and then fit into the hangar. Three of our BMCNO members, Dan Allegger, Terry Lopez and Fred Selig were taken up and away in the front seat! Thanks to Roger for setting up this fun outing!

BMCNO Visits Big Easy Wing

Mandeville Breakfast!! Lacombe Car Show!!

We had a great turnout and a parking lot full of LBCs Saturday June 22nd for Cars and Coffee at Liz's in Mandeville. After breakfast and hanging out a while, a bunch of us headed down the road to a nice little car show at Village Church in Lacombe. They had around 60 cars and a crowd of cool people to spend the day with. The church uses the money raised to provide for those in need.

June 28th Final Friday Block Party

Six British cars were parked on Columbia Street for Covington's Final Friday Block Party, and a good number of other BMCNO members came by to visit, when right around twilight time a strong, sudden downpour of rain popped up right over us. Those who had cars equipped with weather gear (hah!) were soaked by the time it was assembled. Karl Keiger may have stayed the driest. Can you find him sitting in his MG Midget holding an umbrella? Michael Gerhold's TD tonneau cover holds a lot of water...like a bucket. It does look nice, though.

Meanwhile, in Baton Rouge...

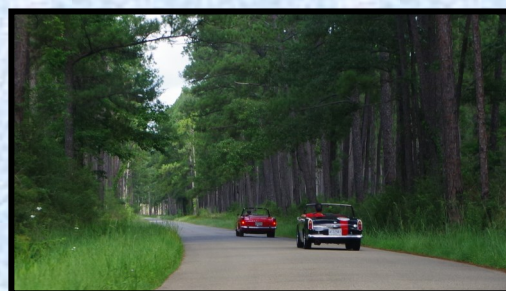

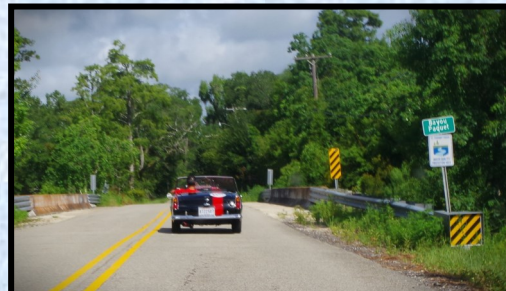

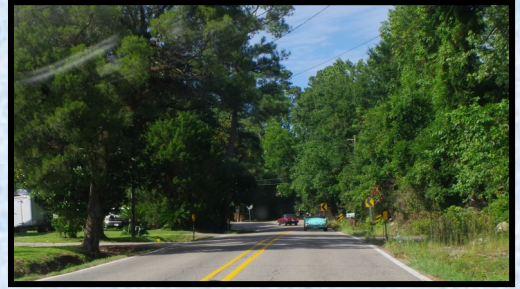

Good weather this June 29th morning for top-down motoring. Our special guest this morning was Danny Bergeron's friend Jimmy Johnson, a Duncan Yo-Yo sponsored Champion! His first championship was 20 years ago, and he was inducted into the **Hall of Fame** in Pittsburgh last month! While waiting for our food Jimmy showed us some amazing tricks - with a yo-yo in each hand! After breakfast we hung around the parking lot for a while, then Danny, Dana, Randy and I drove over to my (late) friend Dr. Gary Black's estate sale. Lots of die cast and collectible cars, glass storage cabinets and automotive art. Danny bought a tool and Randy got a mug for his mother and some expensive sandals for himself. I scored an unopened 1/25 scale model kit of a 1956 Chevy Nomad and a '32 Ford roadster for parts. Also got a couple of plastic storage boxes, a nice NHRA mug and some car magazines - all 20% off!

more ***BMCNO Cars and Coffee***

BMCNO Cars and Coffee in Mandeville on June 29th had the customary exuberant crowd of British car fans willing to wake up early on a Saturday morning, and nearly as many marvelous British cars in front of and around the diner. Some set out on a cruise to Lacombe and onto Bayou Paquet Road, across Bayou Liberty on Bayou Liberty Road and then across Bayou Bonfouca in Slidell before heading back. We made it home by 10:30, beating a bit of the heat.

Southshore Cars and Coffee Report

Had a fun Cars and Coffee this morning of July 6th. We thought it might be a slow turnout due to possible wet weather and the 4th of July holiday weekend, however it turned out to be fine. We welcomed a new member, Michael Roquevert who has a 1970 MGB in primrose yellow. Welcome Michael!

ACCOLADES

Baton Rouge club member and MGB owner Michele Savoy has received a certificate of recognition from the Livingston Chamber of Commerce for her completing 10 months of instruction in Community Leadership! Michele is a local designer, and we are so proud of her!

Northshore Cars and Coffee July 6th

Our July 6th Northshore Cars and Coffee at Liz's in Mandeville was graced by the presence of Baton Rouge club members Danny Varnado and Randy Fleming, and that put us over two dozen British car fans in attendance. Following breakfast and the usual amount of yakking about the week's events, we brought the yakking out to the parking lot for the inspection of our magnificent motors. Of course we also had to lead Danny and Randy on a scenic drive up to Abita Springs, then further north to Highway 40, through Folsom and on to Covington. No one reported any parts falling off, and there wasn't a drop of rain. —Meandering Muckraker
