## PRESIDENT'S MESSAGE by Colin McCormick

Welcome to the October Morris Gazette.

This is my favorite time of the year. No, not football season – car show season!

This past month we have already participated in some local shows and the Brits on the Bluff show in Natchez, which included a memorable drive much further afield in Mississippi before arriving in Natchez.

We also made an impressive showing on September 29<sup>th</sup> for the Distinguished Gentleman's Drive in New Orleans. See exclusive coverage of those events and much more as reported by your intrepid newsletter editor.

This past weekend was the Euro Fest show in Ridgeland, Mississippi, and the South Alabama British Car Club's British Car Festival in Fairhope is October 19th. I am very excited to be driving my Alpine to Fairhope this year in our club's convoy on Friday, October 18th. I recently added an extra row in the core of the radiator, and it has made all the difference in the world for engine temperature. I can now actually tell when the thermostat opens. It's a good feeling when your car operates as it should.

At our board meeting on October 2nd we made decisions about re-stocking our regalia closet with useful items that members have expressed an interest in buying. Thanks go to the members who gathered that information for us. Soon we will shall have a eye-catching selection of memorabilia for your shopping pleasure, including some by-order-only exclusive items like shirts and jackets. Your region coordinators will have further information at your meetings, and we'll send out an email to find out what items you would like to purchase.

And this month is when we have elections for our Board of Directors. You can vote by returning the ballot that was sent to your email, or you can vote at our October meetings. Thanks to everyone who has volunteered to serve on our club's board. Our club wouldn't function well without these dedicated members taking care of business. See the list of nominees on page 12.

We'll hold our BMCNO Memorial Rally on November 16th, and we hope you and many of our club members are planning to participate in the Harahan Christmas Parade on December 14th at noon. We'd like everyone to attend our Christmas party in Harahan right after the parade.

That's all for now; I'll let you get to the more interesting and entertaining parts of the newsletter.

Stay safe, keep calm and drive on,

Colin McCormick

## **BMCNO Upcoming Events**

We have a few more big events this year to go along with our weekly Cars and Coffee gatherings and monthly meetings. Hope you'll plan to be there with your BMCNO friends for these fun car outings.

—Greg Roussel

**BRITISH CAR FESTIVAL** October 19th in Fairhope, Alabama. Another weekend trip many of our members enjoy. It's presented by the South Alabama British Car Club, and their show will celebrate 65 years of Mini. Mini gets Medicare! Find their flyer on page 23. Registration and more info at <https://sabcc.org/british-car-festival>.

**BMCNO MEMORIAL RALLY** November 16th. Our Memorial Rally has been held nearly every year of our club's existence. The tradition began soon after club founder Eldridge Reynolds died in a November, 1978 automobile accident. This year's rally will be in and around Hammond, America.

**HARAHAN CHRISTMAS PARADE AND BMCNO CHRISTMAS PARTY** December 14th. The parade is at noon and our party at the Harahan Senior Center will be after the parade from 2 'til 5. Dress for the occasion as your best self, and maybe your best elf, and drive your British car in the parade. Please join us at the party to celebrate the holidays. Food and drink provided by BMCNO. Parade flyer and participation forms on pages 24-27.

**BRITISH MOTORING FESTIVAL** March 29th in Covington once again. It's BMCNO's 33rd show, and we're working to make it one of the biggest and best! Covington's Final Friday Block Party will be the night before, as will our Welcome Reception down the street at the Firehouse Events Center. We had 163 vehicles on the streets in 2024. We expect close to 200 for 2025. Plan to be there!

## September Monthly Meetings

**What a nice Baton Rouge meeting** September 10th at Cafe American! We had about a dozen members and one visitor. Some of us wore our yellow BMCNO shirts, and after a discussion decided we need to promote them to all the members. I would have worn mine, but I felt it appropriate to wear my "Hurricane Hunters" T-shirt instead. Several years ago the club went to Keesler Air Force base in Biloxi and tour the

facility where the Hurricane Hunter C-130's are based. Afterward, we lined our LBCs up ON THE RUNWAY in cruise formation for a group photo (no speed limit). Unfortunately, the member who actually flew the C-130s has since retired. We talked about past club events and the West Baton Rouge Parish Museum tour, and upcoming events like Natchez, Cruisin' the Coast, the Euro Fest and of course Fairhope. The "Spridget" group reported that their Midget is basically finished! I had some things in "Rick Huber's Toolbox" that mystified and amazed, and our fearless group leader had some stuff up on the big screen as well. If you haven't made one of our regularly scheduled club meetings, I invite you to come out and join us! We've gotten several new members recently, and we usually drive our LBCs, then chat afterwards in the well-lit parking lot. And may I say the cheeseburger and fries I had last night were delicious! —Roving Reporter

**Our Mandeville meeting** September 17th at Coscino's drew a big crowd of nearly 30 friends eager to talk about our British cars and club activities. After dinner and catching up with each other, we reviewed all of our upcoming events, and Colin filled us in on possible regalia. Members are interested in club shirts, hats, jackets and license plate frames. The highlight of our meeting was an outstanding Aston Martin trivia and quiz presentation by Ian MacDonald, including James Bond action clips. What a blast! Colin had the highest score on the quiz and won a nice Aston Martin coffee table book. Seen on the left is Ian's 2009 Aston Martin DBS in "Skyfall" Silver.

**In Harahan on September 24th** our Southshore meeting was led by Andrew Doran this time. We did a segment on "Who designed your Triumph." Hopefully this will be a part of a series for other marques in the future. We went over upcoming events, our car projects, and covered the Natchez show, the Fairhope show and the Harahan Christmas Parade and our club Christmas party as well. We also discussed the upcoming BMCNO Board of Directors elections. Looks like we'll be in good hands again in 2025.

# September 7th Cars and Coffee

At BMCNO Cars and Coffee in New Orleans on this wet and dreary morning, six brave souls decided not to test windshield wipers or find out how leak proof their tops were. Instead, we drove our non-British cars (four Fords and a Volkswagen) in the rain to Chateau Coffee Café in New Orleans. Needless to say, there was no parking lot LBC viewing. Furthermore, no one showed up with Chevys to debate us or challenge us to an arm wrestling match!

**BMCNO Cars and Coffee in Mandeville** had a very nice turnout this morning, considering half a week of rain was just coming to an end. A good number of us managed to get the cars out of the garage. The roads were still very wet, so we decided to forgo the usual drive after breakfast. —Meandering Muckraker

# September 14th Cars and Coffee and St. John's K of C Car Show in Folsom

Plenty of British Motoring Clubbing on this Saturday, starting with Cars and Coffee in Mandeville and many awesome cars. Adding to the mix was a Lotus next to a Lamborghini and a Corvette, an MGB and a Jaguar all in a row! Dean's brother came in his "new" MG TD.

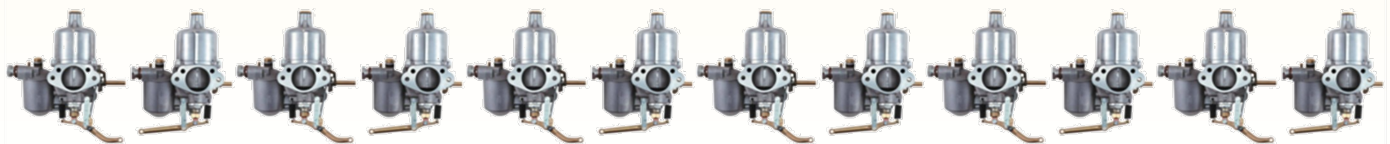

Shortly after 9 a.m. a parade of LBCs headed out from Liz's on a 23-mile drive to the St. John K of C Car Show in Folsom, where 20 or more of our cars added to the 97 total vehicles. Robert Rougelot won a Top 10 award for his '78 MG Beast, Terry Lopez's '66 Austin Healey 3000 BJ8 was awarded Best "Foreign" Car, and Bruce Balough took home Best of Show for his 1908 Ford Model SR Roadster. Congratulations!

# ***BRAACA New Roads Rally by LuLu and Wally Waguespack***

South Louisiana may have been hit by another hurricane, but that didn't stop the BRAACA's September 14<sup>th</sup> Rally from New Roads to St. Francisville. Thanks to all the members and non-members who attended the rally. A special shout out to the members who left home early and drove through the heavy fog to make it to New Roads. It ended up being a beautiful day. The rally started a little late due to the fog, but all the cars made it to the finish line. The rally ended at Sonny's Pizza in St. Francisville, and even though I was standing in the parking lot waving at the cars, a few drivers were having so much fun that they sped on by and had to turn around to get back to the finish! Sonny's offers a well-rounded menu and everyone had a great time chatting and enjoying their meal while the scores were being tallied. The scoring was very close with 1<sup>st</sup> place 474 points and last at 505, so everyone did a great job, and no one went to Mississippi.

1<sup>st</sup> place with 474 points went to Harry Kleinman (Contraband) & Shawn Colby (BRAACA) '55 Vette

Tied for 2<sup>nd</sup> Place with 491 point each were: Leo Doberd and Faye Drake (Contraband) 80 Trans Am and Keith and Christian Stokes (British Motor Club New Orleans) '78 MGB

The People's Choice Award went Charlie and Ardie Froehlich with their '64 Ford Fairlane.

Once again, the Baton Rouge Chapter thanks you all.

# *BMCNO Visits Brits on the Bluff*

More than two dozen British Motoring Club New Orleans folks were in Natchez on September 21st for Brits on the Bluff in front of the Grand Hotel on the Mississippi River. Friday, members from all three of our regions met in Gloster, Mississippi, then, taking the long way to Natchez, stopped at The Old Country Store in Lorman for lunch. Continuing with the journey, we visited The Windsor Ruins, the historic remains of an antebellum Greek Revival mansion near Port Gibson. Then, travelling on Natchez Trace Parkway, we immersed ourselves in more history with a visit to The Emerald Mound, a Plaquemine culture Mississippian period archaeological site located on the Natchez Trace near Stanton, Mississippi. It was a great trip, and Saturday's car show was well worth the trip. Congrats to Best of Show winner Bill Nix! And MUCH thanks to the English Motoring Club of Mississippi for hosting a wonderful weekend!

*Covington High Homecoming Parade September 26th*

BMCNO members Dan McGovern, Ian MacDonald and Benny Stiegler had the honor of driving a few of Covington High School's Homecoming maids in the school's parade through the streets of Covington. The next day Covington beat Northshore 28-0. Go Lions!

**October 5th Slidell Bike Show by Colin McCormick**

BMCNO was well represented at the recent Antique Motorcycle Club of America show at the Blue Crab in Slidell on the shore of Lake Pontchartrain. Hans, Karl, Robert, Christian, Lenny, John and I drove over after Cars & Coffee and met David and Milton there. An impressive assortment of motorcycles was on display, and multiple piles of parts and accessories as well at the swap meet. I saw a couple of Simplexes that I remembered from the 50s in New Orleans, and I resisted the siren song of a Honda dirt bike just like the one I had in the late 70s. All in all, it was a lovely day of motoring.

**From our October 2004 Morris Gazette Newsletter**

Member Projects: Allen Bradley needs help mounting his new windshield. He had the last new windshield professionally installed, but it broke anyway. This time he's doing it himself. "Scarlet Rose", Sally Breithoff's pink MGB is running much better after Bill Breithoff replaced the year old gas in the tank with some fresh gas.

# Covington Columbia Street Final Friday Block Party

Great weather was a relief September 27th (after we were rained out a few times this year) and that brought out more party people. Six of us parked together and answered questions, shared stories, promoted our club and talked up our March car show. The October Halloween Final Friday Block Party is usually a big one, with many kiddos Trunk or Treating, and will be the last one until March 28th, the night before our British Motoring Festival in Covington.

## 9/28 Mandville Cars and Coffee

A good turnout of British cars and club members today in Mandeville. Ian came on his Triumph bike, which attracted a lot of attention. After breakfast and the usual parking lot confabulation, six of us headed off on a nice drive, ending up at the Abita Springs Trailhead. —Meandering Muckraker

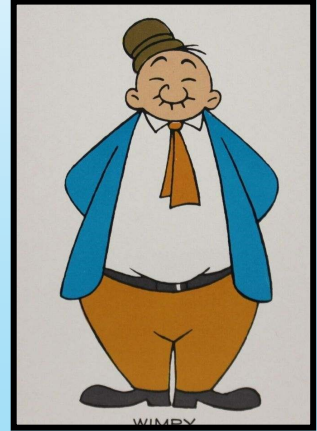

# Baton Rouge Cars and Coffee September 28th

Our Baton Rouge breakfast on the 28th was well attended with over a dozen members and guests, and seven LBCs parked outside in the cool morning air. That also brought out a good number of our Cushman friends from their breakfast club. Inside we held court at our reserved table in the middle of everything, further helping the economy while visiting with each other and talking British cars. It was well after 9:00 before everyone left the parking lot! I also found out what the other members thought of me when I wore my bowler hat to breakfast... and got sent this cartoon!

# Distinguished Gentleman's Drive

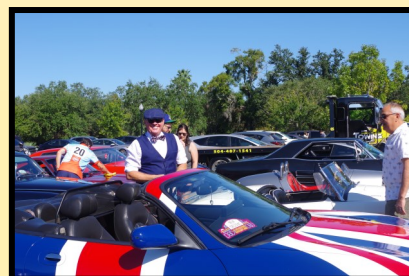

## September 29th

The New Orleans Distinguished Gentleman's Drive 2024 was a big success, raising thousands of dollars for men's health. Forty drivers participated in our local event, many of them BMCNO members, joining 5,000 drivers worldwide in 60 countries to raise much more for prostate cancer and mental health research. Top fundraisers here include three of our own British Motoring Club New Orleans members, Bob Gordon, Chris Savoy and Keith Vezina.

With perfect weather, we gathered in City Park and enjoyed coffee and beignets before heading out on a one hour, police escorted drive through historic sections of New Orleans. Crowds waved and clapped as we drove past Jackson Square, down St. Charles and Carrollton Avenues and along the lakefront, ending at the Blue Crab Restaurant for lunch.

All participants had a great time, and we encourage all of you to participate in the future. We'd like this event to become bigger and better, and our club can have a big role in making that happen. Much thanks to event organizers Jorge Menes and Chris Savoy for a job well done!.

# October 5th Renaissance Euro Fest

The unique setting of the Renaissance at Colony Park outdoor shopping mall in Ridgeland Mississippi together with an outstanding variety of European cars made for a great Renaissance Euro Fest in Ridgeland, Mississippi Saturday. Many of our British car friends were there from all over Mississippi, Alabama, Louisiana and Florida. It was a great day spent with car friends and crowds of spectators. Everyone in our club should make an effort to attend this show!

## *Calling all British Motorcycle Owners*

We've been working with others to increase the number of British Motorcycle owners. If you or anyone knows someone who owns a British Motorcycle please contact them about participating in our club. Milton Franklin, Baton Rouge, would like to organize motorcycle events for owners of British Motorcycles. Harley groups are always cruising the roads so we would like to start British motorcycle cruises. We would also like to increase the number of motorcycles at our Annual Car Show. So... Continue to look for British motorcycles to tell them about our club, and give out our business cards or direct them to our website. **HARAHAN POLICE DEPARTMENT CHRISTMAS PARADE SAFETY RULES**

These rules are provided to create a safe parade experience for participants, spectators and event staff. Failure to follow these rules may result in immediate removal of your entry from the parade. We appreciate your cooperation in continuing to make this a safe and enjoyable community event.

These rules were developed from reviewing accidents from other parades across the United States that resulted in a serious injury or fatality. Fortunately, the Harahan Police Department Christmas Parade has not had any serious injuries or fatalities in the past, and we would like to keep that record going, with your help and cooperation.

- The physical handout/distribution of candy by parade participants is ALLOWED and ENCOURAGED. All candy must be in original wrappers.
- NO ALCOHOLIC BEVERAGES MAY BE CONSUMED PRIOR TO OR DURING YOUR PARTICIPATION IN PARADE ACTIVITIES.
- Motor vehicles may not break traction at any time and not exceed the pace of the walking groups.
- Handouts (candy or materials) should be safe/properly placed on floats to avoid any injuries. It is the responsibility of the float owner to ensure proper placement of throws.
- The Harahan Police Department Committee must be notified at least 48 hours before the parade, of any changes.
- All participants must be prepared prior to their arrival at staging area.
