## PRESIDENT'S MESSAGE by Colin McCormick

Welcome to the November Morris Gazette.

We have been busy this past month and will continue to be the rest of this year. We're already planning for 2025.

Some of our members took in the parade of mostly domestic classic cars at Cruisin the Coast, and some served as drivers for the Vlari Auction there. Others made the trek to Ridgeland MS for the Euro Fest. We had a very strong presence (19 of 138 cars) at the South Alabama Club's British Car festival in Fairhope. For the first time I joined the caravan for the trip on Friday and returning Sunday, and the Alpine ran flawlessly. On the Final Friday of October in Covington, the turnout on Columbia Street was immense. I had trouble finding a parking place at 4:30 for the event that was supposed to start at 6. The crowd of costumed kids and parents was still streaming in at 9 p.m. As usual, our cars were a big hit with lots of "I remember my uncle had a..." You will find reports of these and other adventures in this issue.

Plans are well underway for our Memorial Rallye November 16th, a loop drive in Tangipahoa Parish centered around Hammond. Read all about it on page 12.

The BMCNO Christmas Party will follow the parade in Harahan and will be a catered event at an event center very close to the parade route. You will find the details further along in the newsletter. Turn in the forms on pages 19-21 or in your email if you are driving in the parade.

We are in the preliminary stages of building our 2025 British Motoring Festival in Covington. I have already registered our days and facilities with the city powers-that-be in Covington. Once their work on the Three Rivers Arts Festival is completed we will get into the details about street space, etc. Benny placed post-cards/invitations in each car at the recent British car shows, and addressed the crowds at the shows as well. There is tremendous interest in coming to Covington for our show in March; I think it is realistic for us to expect 200 entries.

Voting has been completed for our 2025 Board of Directors. Thank you to all who volunteered to serve as leaders for our club. We welcome Preston Marx and Lee Matthews as new members.

At a recent Northshore Cars & Coffee, we enjoyed hosting a group of visitors from the GNO region. After breakfast, about a dozen of us took a drive on our favorite roads in the rural parts of St Tammany. It was a perfect fall day with sunny skies, mild temperatures and low humidity; and those little engines enjoyed themselves. This is perfect driving weather, so get out there and put some miles on your cars and smiles on your faces.

I'll see you on the road,

Colin McCormick

## ***BMCNO Upcoming Events***

We have some exciting events to end 2024, and a few events already planned for next year. And of course we always have our weekly Cars and Coffee gatherings and monthly meetings. Hope you'll plan to get together with your BMCNO friends. —Greg Roussel

### **BMCNO MEMORIAL RALLYE November 16th.**

Our Memorial Rallye has been held nearly every year of our club's existence. The tradition began soon after club founder Eldridge Reynolds died in a November, 1978 automobile accident. This year's rally will be in and around Hammond, America. See more on page 12.

### **HARAHAN CHRISTMAS PARADE AND BMCNO CHRISTMAS PARTY December 14th.**

The parade is at noon and our party at the Harahan Senior Center will be after the parade from 2 'til 5. Dress for the occasion as your best self, and maybe your best elf, and drive your British car in the parade. Please join us at the party to celebrate the holidays. Food and drink provided by BMCNO. Parade flyer and participation forms on pages 18-21.

**MIDDENDORF'S RUN February 16th** Our annual drive to Manchac for lunch at this famous out of the way eatery is always very well attended by our club members. Come early and come hungry. They would like us all to be seated in the dining room by 11 a.m.

### **BRITISH MOTORING FESTIVAL March 29th**

in Covington once again. It's BMCNO's 33rd show, and plans are underway to make it one of the biggest and best! Covington's Final Friday Block Party will be the night before, as will our Welcome Reception down the street at the Firehouse Events Center. We had 163 vehicles on the streets in 2024. We expect close to 200 for 2025. Plan to be there and tell your friends! And please offer to volunteer.

## October Monthly Meetings

**At our Baton Rouge meeting** October 8th we had a pretty good turnout, despite many people missing at Cruisin the Coast, with 16 of us getting together for dinner, talk about club events, and to vote for our 2025 BMCNO board.

Wow, what a busy month it has been! We had members attend and report on the K of C car show in Folsom, the AACRA Rally in New Roads, the Distinguished Gentleman's Drive in New Orleans, Brits on the Bluff in Natchez, the Renaissance Euro Fest in Ridgeland, MS, and a bunch of British motorcycle enthusiasts attended the national antique motorcycle event in Slidell the same weekend as Euro Fest. That was quite a line-up.

And the fun continued throughout October, with half a dozen of us at Cruisin the Coast, then a bunch of people heading to Fairhope at the end of October. It sure is fun to have such an active group of little British car enthusiasts to do things with!

**Our Mandeville meeting** October 16th had another big crowd eager to hear and talk about our British cars and club activities. Colin updated us in on club regalia plans for shirts, hats, license plate frames and more. Benny presented a fun "Whose British Car Is That?" quiz. We had to identify the car and owner after seeing just a small part of the car. For added difficulty, spelling did count! It wasn't as easy as you might think. There were no perfect scores Colin did best and won a dining gift certificate.

Whose British car is that??

**In Harahan October 29th** we discussed the Christmas parade and party and informed everyone to fill out the parade registration form. Keith Vezina moderated discussions on special projects.

We had a guest by the name of Alex Watt from San Diego who is in town doing work for FEMA, and is a member of a club in San Diego. He brought out a nice looking newsletter/brochure showing his quite extensive car collection; some early Ford racers, several Riley's, an Austin Healey 3000 and a beautiful Aston Martin DB4GT. (RHD--He is originally from England,)

Never to shy away from projects, Chris Landry and Mike Anderson attempt to repair a wonky pizza tray without the proper Churchill tool.

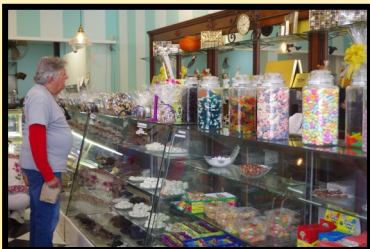

# October 19th British Car Festival

## Fairhope, Alabama

It was a great weekend for many of our BMCNO members who travelled to South Alabama British Car Club's annual show. Over 140 vehicles were on the field, including nineteen from our club. A group of us left Friday morning and travelled together to the show, enjoying beautiful weather and stopping for lunch at Wintzell's Oyster House in Mobile, and then a peanut and candy store shopping spree. Other members joined us in Fairhope for the weekend. We took home a lot of awards, including Allen Bradley for his champion Rat Fink valve cover racer, and Best of Show winner Bob Hurst for his awesome 1936 Railton Tourer. Congratulations! And thanks to SABCC for hosting a fun weekend.

# E.E. Reynolds Memorial Rallye

Next Saturday, November 16th 10 a.m.

Our annual Memorial Rallye will be held next Saturday, and we hope you are planning to participate. Please let me know if you are coming so we will have enough material for everyone. This club event began in 1978, shortly after the beginning of the club, and has been done most years, sometimes just called the Memorial Rallye, and a few times not done at all for various unknown reasons. The name E.E. Reynolds Memorial Rallye honors the founder of the Louisiana Centre of the MG Car Club, which later became British Motoring Club New Orleans. Here's an excerpt from an April 1987 Morris Gazette Newsletter article on the history of our club:

In November of 1978 the founder of the club, Eldridge Reynolds, died in an automobile wreck in North Louisiana. We decided at that time to begin a Memorial Rallye in his honor, a tradition we still hold every November.

I posted a description and photos of last year's Memorial Rallye on Facebook and received this reply from Bill Weeks, who some of you may know, and who I believe now lives in Florida::

**Bill Weeks**

I was a member of the Louisiana club back then. As a matter of fact, I still have my pewter plate as winner of the first Elridge Reynolds Memorial Rallye.

So, in honor of Eldridge, and in honor of all club members past and present, we rallye!! Our drive this year will begin at the Tangipahoa Convention and Visitors Bureau on Wardline Road in Hammond, right off Interstate 55, Exit 32, and down the road from Southeastern Louisiana University.

From there, you'll be given directions on where to drive and what to look for. Each driver should have a navigator to help with directions and to identify and record the signs and landmarks along the way. It will help to have a clipboard and an extra pen or two. Each team will be given points for correct log entries, and points for the best time. We'll do a staggered start beginning shortly after 10 a.m. The drive is 60 miles and will take about 90 minutes, depending on the skill level of your team. The rallye will end at a popular gathering destination not too far from where we'll begin, and where we'll determine this year's winner. Lunch and drinks will be available for purchase. British Motoring enjoyment is sure to be had!

# Covington Columbia Street Final Friday Block Party

The final Final Friday of the year is always a Halloween extravaganza. On October 25th, BMCNO members Keith and Karen Vezina along with Allen and Sue Bradley made the trek across the lake to join our Northshore group for the block party. Ten of our British cars were lined up together and on display with Halloween decorations. Dressed for the occasion, we passed out many pounds of candy, and the crowds just kept coming, starting early and continuing throughout the night.

## 10/26 Mandville Cars and Coffee

Southshore members Bryan Scuderi, Roger Jeffrey, Jim Clark, Richard Gaudry, Bill Nix and Andrew Doran joined us for Cars and Coffee at Liz's. Eleven of us ventured on a great 90 minute drive through the St. Tammany countryside after breakfast, ending at the Abita Brew Pub, a lot different from driving in Kenner.

—Meandering Muckraker

*Halloween Cars and Coffee October 31st*

Sixteen BMCNO members showed up on this Thursday morning for a special weekday version of Cars and Coffee and breakfast at The Toasted Yolk in Covington. We were served enormous plates of food. They must think we're special! Some of us don't get enough on the weekend, and so we will likely get together during the week more often.

**November 2nd Southshore C&C**

Alex Watt from San Diego met us at Cars and Coffee and let us know that he is our newest member of the club, just joining this week. He anticipates being here at least three to four more months for work, so we look forward to seeing Alex at our future events. We also had a gentleman stop by who is familiar with our Cars and Coffee and was interested in finding out more about the club. He brought out a super cool 1967 MGBGT. We provided him with all the necessary information and hopefully he will be joining the club soon as well.

From our November 1994 Morris Gazette Newsletter

We have no choice, but to except the fact, that all newer British cars will contain some foreign parts. For years, no manufacture has produced a car using only parts made in the mother country. This is a fact of automotive manufacturing today. Even our older British cars many times must suffer the indignation of non-original spares make in a foreign land. But bringing in a car from outside the country and placing one's badge on it does not make it a British product.

# November 2nd BR Cars and Coffee

Attendees at our Baton Rouge breakfast Saturday morning included the Landrys, Varnados, Robb Cowzer, Mark Huber and Randy Fleming. And we had 4 or 5 LBCs parked outside! The Warehouse filled up quickly (I'm sure they came to see us and our cars) but we had to leave our table a little after 8:00 to make room for autograph seekers.

Then I went to the BR Cajun Model Fest at LSU. Saw a few nice Land Rovers and a British Tank on the tables. Lots of vendors selling kits as well. The next show will be in the New Orleans area in April. And there is a Jaguar on their flyer! Pretty cool to cruise through the LSU campus in my '70 MGB roadster, too!

# Tulane Formula Racing Team Show

On Saturday, November 2<sup>nd</sup> eight of our British Motoring Club members enjoyed an outing at the Tulane University Lola Racing Team's annual car show. Instead of being held on the Tulane campus like last year, the location was changed to Urban South Brewery on Tchoupitoulas Street. The mix of our cars with American classics, modern and exotic vehicles made for very enjoyable show. The move to the brewery was a good idea. Along with brewery options, they were showing the Formula One race on multiple screens and had a food truck serving lunch.

## *Calling all British Motorcycle Owners*

We've been working with others to increase the number of British Motorcycle owners. If you or anyone knows someone who owns a British Motorcycle please contact them about participating in our club. Milton Franklin, Baton Rouge, would like to organize motorcycle events for owners of British Motorcycles. Harley groups are always cruising the roads so we would like to start British motorcycle cruises. We would also like to increase the number of motorcycles at our Annual Car Show. So... Continue to look for British motorcycles to tell them about our club, and give out our business cards or direct them to our website. If you need more please contact Milton Franklin at [densalprop@cox.net](mailto:densalprop@cox.net).
